Inspirace každý den: Plakáty slavných osobností

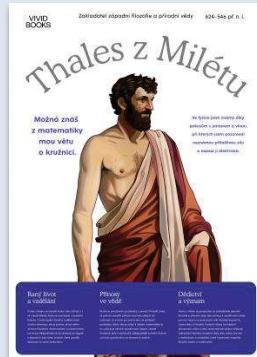

Obklopte děti inspirací! Plakáty slavných osobností přinášejí do tříd a dětských pokojů příběhy výjimečných lidí, kteří svým talentem, odhadláním a vizí změnili svět. Ať už jde o vědce, umělce, myslitele nebo lídry, tyto osobnosti ukazují, že i velké výzvy lze překonat odvahou, trpělivostí a tvrdou prací.

Každý plakát připomíná hodnoty, jako jsou zvědavost, vytrvalost a empatie, a inspiruje děti k tomu, aby věřily ve své schopnosti a nebály se jít za svými sny. Umožněte jim vyrůstat obklopeny těmi, kteří ukazují, že změnit svět je možné.

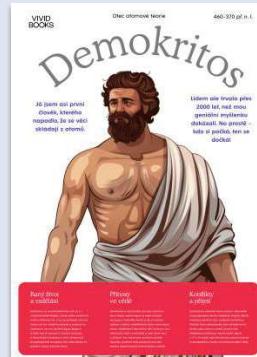

Slavní vědci

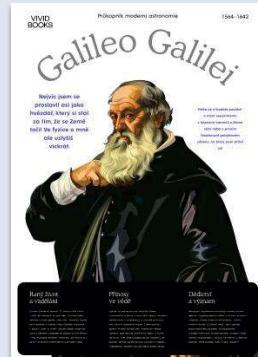

Archimedes

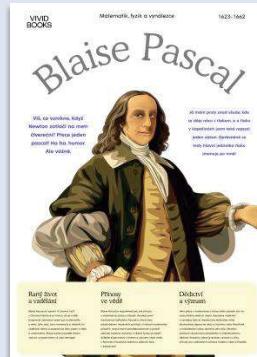

Thales z Milétu
